

*“Volunteering for Operation Smile is one of my greatest accomplishments. Working in harmony with a multinational team, towards the same goal is such a fulfilling experience, both for your soul and career. You are able to experience different cultures, and meet such amazing, passionate, supportive and caring volunteers. You work hard, and form lifelong bonds with your colleagues. Operation smile transforms thousands of lives with surgery, and transformed my life as a nurse.”*

**- Arianwen, Volunteer Nurse.**

*“It’s a wonderful privilege to volunteer with Operation Smile and to make a difference in the lives of children around the world.”*

**- Dr. Stuart Bade,  
Plastic Surgeon,  
Volunteer**

*“The tireless spirit of all of our volunteers will continue to make working towards our goals seem effortless.”*

**- Dr. Richard Lewandowski,  
Plastic Surgeon, Founder**

**Thanks to the help of Lions, Lioness and Leo Clubs, there are 3484 new smiles in the world!**

**You can be part of the Project: Together we can change the lives of more children.**
